

Treasury Department

April 5th 1854

Sir

As the Board of Supervising Inspectors of Steam Boats, will meet in this city on the 6th inst, I will be obliged to you if you will communicate to this Department the result of your experiments with the furnace alloys, so far as you have proceeded in them, together with any other information in relation thereto, which you think will be useful. It is expected that the Board will be in session for about two weeks.

Very Respectfully

James Buchanan

Secy of Treasury.
